

Prof. Dr. Ammar M Mashlah
CURRICULUM VITAE (C.V.)

Last update 2022/1 /20

(Pages: 10)

Personal picture

Personal Data:

First Name: **Ammar** Last Name: **Mashlah** Father Name: Mahmoud Mother Name: Khadija Hasan

Place and Date of birth: Damascus Suburb 1972

Marital status: Married (two sons)

Work: Damascus, Mezzeh, Faculty of Dentistry, Department of Oral Medicine.

Fax: +963 11 2124757	Mob: +963 933 575453
E-mail: mashlahammar@gmail.com	Home Tel: +963 11 5446894

Military service: accomplished at 1/12/2005.

Languages: Arabic: Native English: Good.

Certificates: Name, university, Year

- PhD in dental sciences, Damascus University, 2002.
Research title: Evaluation of some oral manifestations of AIDS patients in Syrian Arab Republic.
- Master Degree in oral and maxillofacial surgery, Damascus University, 1999.
Research title: A comparative study between conventional surgery and cryosurgery in the treatment of oral leukoplakia.
- Diploma in oral and maxillofacial surgery, Damascus University, 1997.
- Bachelor's degree in Dentistry (DDS), Damascus University, 1995.

[\(One of the top ten graduates at the Faculty of Dentistry, University of Damascus, the Class of 1995\)](#)

Current jobs:

- **Professor in the Oral Medicine Department, Damascus University, since 2012.**
 - Professor of Preventive Dentistry & Infection Control in Dentistry, in Manara University, since 2021.
 - Chairman of the Scientific Research Committee of the Syrian Commission for Medical Specializations (the Syrian Board) Specialized in Cosmetic Dentistry, since 2016.
 - Member of the International and American Association for Dental Research IADR & AADR since 2013.
 - A dentist practicing the profession specializing in Oral and Maxillofacial surgery in a private clinic in Damascus since 1997

Previous positions:

- Professor of Oral Radiology, Oral Medicine & Geriatric Dentistry in Syrian Private University SPU, 2019.
- **Vice Dean for scientific affairs** of the Faculty of Dentistry, Damascus University, 2015
- Professor of Preventive Dentistry in International University of Sciences and Technology IUST, 2011.
- **Vice Dean for administrative and students affairs** of the Faculty of Dentistry, 2011

- **Head of Oral Medicine Department**, Damascus University, 2007.
- Professor of Oral Medicine & Radiology, Syrian Private University SPU, 2007.
- Associated Professor in Oral Medicine Department, Faculty of Dentistry, Damascus University, 2007.
- Assistant Professor in Oral Medicine Department, Faculty of Dentistry, Damascus university, 2002.
- Instructor in Oral Medicine Department, Faculty of Dentistry, Damascus University, 1997.

Speaker in International Conferences: title, conference name, place, date.

- 1- Bacteriological Evaluation of closed Dental Unit Supply Water Systems, 93rd General Session & Exhibition of the International Association for Dental Research (IADR), 44th Annual Meeting of the American Association for Dental Research (AADR) and the 39th Annual Meeting of the Canadian Association for Dental Research (CADR). March 11-14, 2015, **Boston, Mass, USA**.
- 2- Evaluation of Premalignant and Malignant lesions by Fluorescent light, (September 9-13, 2014) , 7th Annual Congress of the International Association for Dental Research Pan European Region (IADR/PER). the Valamar Lacroma Dubrovnik Hotel, Dubrovnik, **Croatia**.
- 3- Salivary Flow Among Patients With Minor Recurrent Aphthous Stomatitis. (June 25-28, 2014). the 92nd General Session & Exhibition of the International Association for Dental Research (IADR), Cape Town International Convention Center, **South Africa**.
- 4- Speed of Sound for the Investigation of Bone Graft Healing. AADR Annual Meeting & Exhibition (March 19-22, 2014). Charlotte Convention Center. Charlotte, North Carolina, **USA**.
- 5- Dentistry students' reasons for choosing dentistry as a career in Damascus University. 122nd OMICS Group Conference International Conference on Dental & Oral Health. August 19-21, 2013 Embassy Suites Las Vegas, **USA**
- 6- Cone beam CT for predicting osteoporosis through jaw bones: A study on menopausal and postmenopausal women, Second scientific national conference for Iraqi dental colleges, **Iraq**, Baghdad, 10-11/4/2013.
- 7- Study of Dentists' Exposure in Damascus to Some Occupational Risks, 17th Irbid Conference International Dental Congress, **Jordan**, Irbid, 20/4/2011 (search accepted but I apologized for not being able to attend).
- 8- A comparative study of the knowledge and attitudes of dental students at the University of Damascus towards patients with hepatitis B, hepatitis C and AIDS, fifth Riyadh International Dental Meeting and exhibition, **KSA**, Riyadh, 15-16/12/2010.
- 9- Tele-Learning of Dentistry, 1st international conference about electronic administration, **Libya**, Tripoli, 1-4/6/2010.
- 10- Use of Internet among Dental School Students of Damascus University, the Third International Conference for e-Learning, the Kingdom of **Bahrain**, Manama, 6-8/ 4/2010.
- 11- Occupational hazards of dentists in Damascus, the first international conference of the Saudi Oral and Maxillofacial Surgery Association, **KSA**, Jeddah,15-18/3/2010.
- 12- Patients' attitudes toward personal protection measures applied by dentists and their fear of cross infection in dental practice, Beirut Arab University's First International Conference for dentistry, **Lebanon**, Beirut, 1-3/5/2009.
- 13- Infection Control in Dental Practice, new concepts. 1st international scientific conference for the association of Yemeni dentists, **Yemen**, Sana'a 26-28/11/2008.
- 14- Musculoskeletal Disorders Among Dentists, Jeddah international dental Conference JIDC 2008, **KSA**, King Fahed Hospital, Jeddah 3 –6 /11/2008.
- 15- Quality, Accreditation and Assessment of Higher Education system in Syria, 1st Arabic conference on universities quality, Licensing requirements and accreditation, **UAE**, University of Sharjah, 23-26/4/2006.

Speaker in National Scientific conferences and symposiums: Name of conference, place, date

- The First Medical Symposium of the **Russian** Cultural Center in Damascus, Al-Assad National Library, 8/16/2021.
- Training course of continuous training program in Dental Implantology, Damascus University, Damascus, 23/10/2016.
- Workshop of correlation between systemic diseases & Dentistry, Damascus University, Damascus, 29-30/5/2016
- Conference of the School of Dentistry at Teshreen University, Rotana Hotel, Latakia, 6-7/4/2016
- The 18th International Scientific Conference of the Syndicate of Dentists in Syria, Opera House, 5-7 / 11/2016
- Seventh training course of continuous training program for the dentist, Ministry of Higher Education, Al-Assad University Hospital, Damascus, 26-27/2/2014.
- Symposium of " new horizons in oral and maxillofacial surgery", Damascus Hospital, 16-17/2/2014.
- Sixth training course of continuous training program for the dentist, Ministry of Higher Education, Al-Assad University Hospital, Damascus, 19-20/6/2013 .
- The Present Situation of Teaching in Arabic language among Syrian Universities, a scientific paper titled, No for teaching medical sciences except in mother tongue, Arabic language Academy, Damascus, 18-19/12/2012.
- Central Scientific Conference of the Syrian Dental Association, Tartus, Burj Shaheen Hotel, 14-13/11/2012 .
- Symposium of E-Learning in Dentistry, International University IUST, 18/4/2012 .
- Fourth training course of continuous training program for the dentist, Ministry of Higher Education, Al-Assad University Hospital, Damascus, 26-27/1/2011 .
- Central Symposium about the dangers of smoking, the Ministry of Health and Syrian Dental Association, Dedeman Hotel, Damascus, 1/7/2010.
- Third Oral Medicine Meeting, Damascus University, Faculty of Dentistry, 18-20/5/2010.
- Symposium on "the dangers of smoking," International University of Sciences and Technology IUST, Dara'a, 12/5/2010.
- Fourth Conference of the Faculty of Dentistry at the University of Damascus, Damascus, 16-18/4/2010.
- 1st Syrian American Canadian Scientific Conference for Dentistry, Damascus, 14-16/11/2009.
- Specialized lectures for postgraduate students in the School of Dentistry, University of Aleppo, Aleppo, 25/3/2010.
- Symposium on "AIDS prevention", International University of Sciences and Technology, IUST, Dara'a, 5/1/2010.
- Scientific day for dentists in Tartus, Cultural Center 28/5/2009.
- Second Oral Medicine Meeting, Faculty of Dentistry, Damascus University, Damascus, 12-14/5/2009.
- 6th International meeting of dentistry, Faculty of Dentistry, Aleppo University, Aleppo, 28-30/4/2009.
- Aleppo Conference for dentists, Meridian Hotel, Aleppo, 28-30/10/2008.
- Scientific day for dentists in Homs, Al-Safeer Hotel, Homs, 23/10/2008
- Hama Conference for Arab dentists, Hama, 14-16/8/2008 .
- Multispecialty Annual Conference, Faculty of Dentistry, University of Damascus, Damascus, 27-29/5 /2008
- First Oral Medicine Meeting, Faculty of Dentistry, University of Damascus, Damascus, 11-13/5 / 2008
- 6th Conference of the School of Dentistry at Teshreen university, Meridian Hotel, Latakia, 1-2/4/2008
- Dental Association, Branch of Damascus countryside, Sham Hotel, Damascus, 20-21 / 2/2008
- 16th Scientific Conference for Syrian Dental Association, Damascus, Ebla al-Sham Hotel, 4-6 / 9/2007
- Dental association, branch of Al-Swaida, The Cultural center, 10/5/2007.
- Annual conference of oral medicine, Damascus university, 29-30/4/2007.
- Annual scientific forum of the dental association, Damascus branch, Carlton hotel, 26/4/2007.
- First Dental Conference in collaboration with the HealthCare, Damascus, 15-16 / 3/2007
- 2nd scientific meeting of the dental association, Damascus branch, 21/6/2006.
- Multispecialty scientific conference, Damascus university, Damascus, 2-5/5/2006.
- Syrian Dental Association, Dara'a branch, 30/3/2006.
- 15th Scientific Conference of Dental Association in Syria, Damascus, 20-22/9/2005
- Regional Centre for guidance, training and research of Oral Medicine, Damascus, 2004

- The Ministry of Health, branch of Quneitra, 2003
- The Ministry of Health, Damascus Hospital (mujtahid), 2003
- Dental association, Al-rakka, Al-Hasaka and Dier Al-Zor, 19-20/12/2002
- Other scientific contributions with regard to the training program and continuous education of Syrian Dental Association, the Ministry of Health, and the Office of Practice in the Faculty of Dentistry at the University of Damascus.

Subjects that I have taught or participated in their teaching: Name of Subject, the school year, teaching period

- ✓ Specialization subject (Oral Medicine): Master degree students of Oral Medicine (Postgraduate).
- ✓ Oral diseases : Part I and II, the 4th year (Undergraduate).
- ✓ Oral radiology diagnosis: 2nd Year (Undergraduate).
- ✓ Forensic dentistry and ethics: the 5th year (Undergraduate).
- ✓ Public Health, Preventive and Community Dentistry 2010-2005.
- ✓ Epidemiology and Biostatistics 2010-2007

Publications and scientific books I have participated in: Name of the book, publisher, publishing year

- 1- Book (Oral Radiology), Faculty of Dentistry, Damascus University, 2010 .
- 2- Book (Public Health, Preventive and Community Dentistry), Faculty of Dentistry, Damascus University, 2010
- 3- Atlas (Color Atlas of Oral Diseases), 2010 .
- 4- Book (Ethics and Forensic Dentistry), Faculty of Dentistry, Damascus University, 2009
- 5- Book (Oral Diseases - Part II), Faculty of Dentistry, Damascus University, 2008
- 6- Book (Oral Diseases - Part I), Faculty of Dentistry, Damascus University, 2006
- 7- Book (Principles of Infection Control in Dentistry), 2005

Local & international educational, scientific, and technical conferences and courses: Name, place, date

- 1- International Computer Driving License (ICDL), Damascus University, 2012
- 2- International course in dental implants, Sallanches, [France](#), 18-20 / 9/2011 .
- 3- Advanced international course in dental implants, [Singapore](#) 20-21/11/2010.
- 4- International Dental Conference Premium Day 2009, Padova, [Italy](#), 18-20/6/2009
- 5- Following a course in Infection Control in Dentistry, Vienna, [Austria](#), 23-27/2/2009
- 6- Following a course in the Francophone Digital Center, Damascus University, titled : *Gestion de courriers électroniques* 18-19 /1/2006
- 7- following a course in the Francophone Digital Center, Damascus University, titled : *Creation et gestion des presentations multimedia assistees par ordinateur* 17-19/10/ 2005
- 8- following a course in educational qualification for faculty staff at the Faculty of Education , University of Damascus, Damascus, 25/5/2002.
- 9- following an advanced course in dental implants according to Branemark System, Lebanese University, Beirut, [Lebanon](#), 1998.

Supervision on PhD and Master degree researches: title, student name, degree.

- 1- A Comparative Study Between Conventional And Photodynamic Therapy In The Treatment Of Oral Candidiasis –Clinical In Vitro Study, **Hosien Sliman**, PhD.
- 2- Evaluation Effectiveness of hyaluronic acid gel in dental implantation, Clinical and radiographic study. **Waseem Alkhateeb**, PhD.
- 3- A Comparative study between aloe vera and hyaluronic acid gel in enhance wound healing after dental implant surgery in diabetic patients, A clinical, bacteriological and radiological study. **Feda Kaseeh**, PhD.

- 4- Evaluation the effect of using Ozone and soft LASER on the success of implants in patients with diabetes – A Radiological, bacteriology and clinical study. **Waddah Shash**, Ph.D.
- 5- Evaluation of Nd:YAG laser effectiveness in treating gingival enlargement following orthodontic treatment (Clinical Study), **Milad Zakharia**, MD, 2020.
- 6- Epidemiology, laboratory, and immunological study for investigating some tongue lesions among adults. **Dania Sawan**, PhD.
- 7- A Clinical and Histological Comparative Study of Er:YAG Laser and Gingival-abrasion Teqnique in treatment of Gingival Melanin Pigmentation, **Ahmad Badr Aldin Kabbani**, PhD,2020.
- 8- A comparative study between the topical effects of antioxidants and the topical effects of Acyclovir in speeding labial herpes lesions healing. **Sabah Shanwani**, MD, 2014.
- 9- Clinical comparison study between ozonated water and chlorhexidine 0.2% as a supportive treatment for chronic periodontitis, MHD **Hosam Al Safadi**, MD, 2013.
- 10- Contamination of water pipes of the dental unit and effectiveness of some disinfectants in its controlling, **George Wassouf**, Ph.D, 2014.
- 11- Quantitative and qualitative assessment of maxillary alveolar bone for dental implant planning. **Waleed Suleiman**. PhD, 2014.
- 12- Evaluation of bone biostimulation effects around dental implants in autografts in the mandible by using soft laser, **Rami Ezzedine**, Ph.D, 2014
- 13- evaluation of mitochondrial DNA level in saliva of oral cancer and potential cancer as non-invasive biomarker, **Lana Sayall**, MD, 2013.
- 14- Cone-Beam CT for Predicting osteoporosis through jaw bones: A study on menopausal and postmenopausal women. **Emad Brinjakji**, Master, 2011
- 15- Comparative study between hyaluronic acid 0.2% and triamcinolone 0.1% in the management of recurrent minor aphthae. **Dima Hai Ali**. Master, 2011
- 16- A study of some biological changes in the saliva of patients with diabetes type II, **Ibtisam Al-Kafri**, Master, 2011.
- 17- Oral cancer in Saudi Arabia – Retrospective study at the National Center of Oncology, **Yousef Al- Enezi** (Saudi Arabia), Master
- 18- Evaluating salivary flow rate and levels of salivary IgA in patients with recurrent aphthous stomatitis, **Rashad Mohammed**, Master
- 19- Oral manifestations, salivary changes and oral health in patients with chronic renal failure undergoing dialysis, **Ahmad Kabbani** (Aleppo University), Master
- 20- Investigation of oral mucosal lesions in patients with cutaneous psoriasis, **Rania Soudan**, Master
- 21- Evaluation of the effectiveness of rubbing hands technique with an alcohol-based solution in comparison with hand washing technique with disinfecting soap during dental treatment, **Mohammed Abu Hassan**, Master
- 22- Evaluating the effectiveness of the technique of light radiating device (VEL scope) in the early detection of oral lesions in soft tissue, **Dania Sawan**, Master, 2010
- 23- Hepatitis B- its prevalence, the effectiveness of the vaccine and incidents of occupational exposure among students of the Faculty of Dentistry at Damascus University-, **Hadi Srour**, Master
- 24- A comparative study between laser therapy and topical treatment with ozone for recurrent aphthous ulcers, **Bassima Al-Dej**, Master

- 25- A comparative study between laser and cryotherapy for treating physiologic oral pigmentation, **Amer Bakr**, Master
- 26- Bacteria causing odontogenic infections and their sensitivity to antibiotics, **George Wassouf**, Master
- 27- A Comparative study between pharmacological treatments, laser and ozone for labial herpes simplex, **Abeer Ahmed**, Master
- 28- Testing the effectiveness of some antiseptic solutions in the sterilization of some dental instruments, **Lilas Habbus**, Master

Scientific workshops:

- 1-A workshop for discussing health sector committee's report and suggestions , the supreme agency for scientific research, 27/06/2011.
- 2 - (New Horizons in three-dimensional radiography), International University IUST, 9/4/2011.
- 3 - (Importance of radiological diagnosis - New Horizons), the fourth session of continuing medical training for the general practitioner dentist, Assad University Hospital, 26-27/1/2011.
- 4 – The 5th workshop in laser science and its applications - Damascus University -The Higher Institute for Laser Research and its Applications. 24-26/5/2010.
- 5 - (Internationalization of higher education in Syria - self-assessment of quality coordinators in Syrian universities), and the German Academic Exchange Agency DAAD, Rida Said Conference Center, 2-4/6/2007.
- 6 - (Evaluation and the Quality in higher education), The Ministry of Higher Education, 23/1/2006.

Scientific societies and professional associations:

- 1-Head of Scientific Research Committee, Cosmetic Dentistry Council, Syrian Board, 2016
A member of the Syrian Scientific Society for Informatics since 1998
- 2- A member of the Dental Association, Damascus branch since 1997, (a member of the general assembly since 2006 and up to 2014)
- 3 - A member of the teachers association, the branch of Damascus University since 1997.

Membership of the arbitration committees for Masters and PhDs Theses: title, student's name, degree, year

- 1- A comparative study of effect the pressure bandage and dexamethasone on the complications after lower impacted third molar surgical extraction (Randomized controlled Clinical Trial). **Ibraheem Hamadi**. 2021.
- 2- The efficacy of ozonated olive oil gel on swelling, pain and trismus following surgical extraction of impacted lower third molars-randomized clinical study. **Wadhah Mohammed Ahmed Ghanem**, 2021.
- 3- Assessment of Mandibular and Temporomandibular Joint Changes Induced by Chin-cup or Facemask Therapy in Class III Patients Using Low-Dose Computed Tomography, **Amr hail husson**, 2021.
- 4- Evaluation of platelet-rich fibrin dressing on accelerated wound healing after gingival depigmentation with surgical abrasion technique, **Rustom Rustom**, MD, 2021.
- 5- The clinical evaluation of Hyaluronic –Acid on Free Gingival Graft and donor, site Palatal, **Odai Albashir**, MD, 2020.
- 6- A clinical comparative study between dexamethasone and prednisolone in the extractions of impacted third molars randomized clinical trials. **Mohammad Amro Hajjir**, MD, 2020.
- 7- Prevalence of Periodontitis in ABO Blood Groups and Assessment of the Response to the Conventional Treatment, **Ammar Kouky**, MD, 2019
- 8- Effect of Some Snack Food on Saliva pH of Children (Laboratory Clinical Study), **Shaza Almonakel**, MD, 2016.
- 9- Assessment of Periodontal Conditions in Patients with Cerebral Palsy and Their Siblings in dental Faculty- Damascus University, **Mutaz Alqorashi**, MD, 2016.

- 10- Evaluation the efficacy of tissue adhesive in closure of surgical incisions after the surgical extraction of the compacted third molars compared with suturing. **Ali Silan**, MD, 2016.
- 11- Investigation Activity of Myoepithelial Cells in Irradiated Rabbit Salivary Glands, **Rania Othman**, PhD, 2016.
- 12- Validity of frontal sinus index in assessment of skeletal maturation by using lateral cephalometric radiograph, **Duaa` Habes**, MD, 2016.
- 13- Comparison of skeletal and dento-alveolar changes after skeletal class 3 malocclusion treatment with modifies tandem appliance and facemask, **Amr Hail Hasson**, MD, 2016.
- 14- Assessment of Facial Soft Tissue Dimension in Adult Patients with Different Sagittal Skeletal Classes Using Cone Beam Computed Tomography, **Heba Jazmati**, MD, 2016.
- 15- Ultrasonography Efficacy in benign Radiolucent Jaws Lesion Diagnosis Compared with Computed Tomography, **Obai Zeneddin**, PhD, 2016.
- 16- The Effect of Bisphosphonates on the Alveolar Bone of Jaws During Osteoporosis using two and Three Dimensional Radiography: A Case-Control Study, **Imad Barnngkei**, PhD, 2016.
- 17- Effect of maxillary protraction by facemask on the upper-airway dimensions using cone beam computed tomography, **Hani Hashem**, MD, 2014.
- 18- The effect of soft laser and ozone gas in disinfection of root canals compared with pulp dressings, **Fadi Hosain**, PhD, 2014.
- 19- Evaluation of balloon technique in maxillary sinus floor lifting (clinical and radiographically), **Joule Elias**, PhD, 2014.
- 20- Micro radiographic changes in mandibular bone associated with the surgical treatment of periodontal disease using cone beam computed tomography. **Samia Alshaer**. MD,2013.
- 21- Clinical and radiographical evaluation of immediate placement of dental implants into infected dentoalveolar sockets, **Lojain Aljebawi**, MD, 2013
- 22- A comparative study among some sterilization methods for endodontic instruments which are cleaned in different methods: (An in vivo and in vitro) study, **Fdai Alnashawati**, PhD, 2013
- 23- Radiological evaluation of mandibular local bone mass under acrylic full dentures in edentulous patients compared with lined dentures and their effect on oral mucosal membrane, **Iman Taha**, MD, 2012.
- 24- Radiological and clinical evaluation of bone grafts in alveolar region after mandibular molar extraction, **Ebtihal Al-Rifae**. MD, 2012.
- 25- Use of platelet-rich fibrin as a grafting material in maxillary sinus lifting, **Iyad senior**, Ph.D., 2012.
- 26- Epidemiological, clinical, diagnostic and histological studies of cancerous and precancerous oral lesions, **Issam Helboub**, Ph.D., 2012.
- 27- Radiological study to assess the effectiveness of quantitative digital radiographic measurement of bone healing for bone grafts in mandible, **Maher Daadouch**, MD, 2012
- 28- Effect of the distance between the implants with micro thread neck on the degree of alveolar crest bone absorption between them, **Basil Aazar**, MD, 2012
- 29- Bone changes around dental implants "a comparison between conventional digital method and radiographic subtraction method," **Ubai Zinedine**, MD, 2011
- 30- The effect of splint on The bone biomechanical competence by the digital at bruxism patients, **Raja'a Al-Kodaimi**, MD, 2011.
- 31- Laboratory and clinical study of ozone effect on fissure and pits caries of first permanent molars, **Ghalia Blish**, Ph.D., 2010.
- 32- Radiologic evaluation of bone thickness and bone mineral density and its relationship with the bone absorption following late implantation with immediate loading, **Rami Ezzedine**, Master, 2010
- 33- Chewing Qat impact on oral mucosa among its users in Yemen (clinical, histological and immunochemical study), **Issam Halbob**, Master, 2008.

Arbitrating research and scientific articles (As a referee in Scientific Journals): title, name of the journal, year

- 1- Many Researches from Baghdad University, 2019
- 2- Oral Manifestations, Biochemical, and IL-6 Analysis of Saliva in Epileptic Patients under Treatment. Bagdad University. 2014
- 3- Oral manifestations, microbial study and salivary IgA study in lymphoma patients receiving chemotherapy. Bagdad University. 2014
- 4- Determination of the effect of stress on the salivary cortisol level among sample of university students having myofacial pain. Bagdad University. 2014
- 5- The incidence of oral lesions induced by chronic irritations among patients attending oral diagnosis clinic. Bagdad University. 2014
- 6- Detection of acid fast bacilli in the saliva of patients having pulmonary tuberculosis. Bagdad University. 2014
- 7- Diagnosis of the angular hyperkeratotic lesions and the incidence of the etiologic factors. Bagdad University. 2014
- 8- Oral manifestations, microbial study and enzyme analysis in patients with peptic ulcer. Bagdad University. 2014
- 9- Oral manifestation biochemical and IgA analysis of saliva in hyperthyroid (Grave's disease) patients (Comparative study). Bagdad University. 2014
- 10- Oral manifestations, biochemical, and IL-6 analysis of saliva in major depressive disorder patients under Treatment. Bagdad University. 2014
- 11- Oro-facial manifestations, microbial study and salivary enzyme analysis in patients with β -Thalassemia Major. Bagdad University. 2014
- 12- Evaluation of energy density role in management of oral mucosal lesions using dual valve lasers, Journal of Aleppo University research, 2012

- 21- A histological study of the effect of some chemical dental materials on tissues, Journal of Aleppo University Research, 2007.

Committees membership:

- Chairman of the Scientific Research Committee, the Scientific Council for Aesthetic Dentistry (Syrian Board), Ministry of Health, 2019
- Member of the Advisory Board of Education & Community Journal, 2013.
- Member of the Scientific Council of the oral health specialty in the Ministry of Health, 2011.

- Member of the council of Student Affairs and discipline at the University of Damascus, 2011.
- Member of the Faculty of Dentistry Council, Damascus University, 2007 – 2011.
- Member of the evaluation committee for plans, curricula and teaching process requirements in dental colleges of private universities in Syria since 2010.
- Member of the Advisory Board of the Journal of Dental Research at the Mustansiriya University in Iraq 2009.
- Member of the committee of scientific work examination for instructors or assistant professor who are under appointment in dental colleges of Syrian universities (Damascus, Aleppo, Teshreen) since 2007.
- Arbitrating member for many research submitted for publication in the Journal of Aleppo University, 2007.
- Arbitrating member for many research submitted for publication in the Journal of Teshreen 2007.
- Member of students affairs committee in the faculty of dentistry, Damascus University, 2005-2007.
- Supervisor on summer training for students in faculty of dentistry, Damascus University 2002-2006.
- Member of environment protection committee in faculty of dentistry, Damascus University since its establishment in 2005.
- Member of infection control committee in dentistry since its establishment in 2004.
- Member of Laser research committee since its establishment in 2002.

Other activities:

- External examiner in faculty of dentistry, Tripoli university, [Libya](#), 8/2010.
- External Examiner in faculty of dentistry, Sert University, [Libya](#) 6/2008.
- External Examiner in faculty of dentistry, Tripoli University, [Libya](#), 4/2008.
- Visiting Professor in faculty of dentistry, Tamar University, [Yemen](#) 9/2003.
- **Many Radio & TV interviews about oral medicine and specialized articles published in several health journals and websites 2020.**

Certificates of thanks and appreciation:

- **Letter of thanks and appreciation from President of Damascus University in recognition of efforts and medical services provided to the Lebanese brothers during the aggression against Lebanon in July 2006.**
