Bayoumy, H. E. F., A. M. Saafan, W. I. Elsissy, and S. H. Mostafa, "**Impact of Low-Level 660 nm Laser Therapy on Nano-Hydroxyapatite Bone Graft for Preserving Post-Extraction Socket Width**", *Ain Shams Dental Journal*, vol. 38, issue 3: Ain Shams University, Faculty of Dentistry, pp. 269-276, 2025. **Abstract**

Abdallah Sabry, M., A. M. Saafan, H. M. El-Shennawy, A. A. Hussine, D. Mohamed, A. El-Aziz, and D. A. A. Fadeel, "**Journal of Chemical Health Risks**", , Submitted. **Abstract**

Farghaly, M. A., H. M. N. Eldin, A. M. Saafan, A. E. Arafat, K. S. Abdullateef, S. N. Kaddah, and A. M. Wishahy, "**The Role of Diode Laser in Management of Oral Hemangiomas and Venous Malformations**", *Journal of Indian Association of Pediatric Surgeons*, vol. 30, issue 4: Medknow, pp. 464-468, 2025. **Abstract**

Bayoumy, H. E. F., A. Saafan, W. Elsissy, and S. Hemaïd, "**Radiographic evaluation to assess bone density upon administration of Low-Intensity 660 nm Laser Therapy alongside Nano-hydroxyapatite and antioxidant compounds (N-acetylcysteine) for Dental Socket Preservation Following Extraction Utilizing CBCT**", *Journal of Laser Science and Applications: Cairo University, National Institute of Laser Enhanced Science*, 2025. **Abstract**

Fouad, E. M., M. I. Fawzy, A. M. Saafan, and M. A. Elhousiny, "**Regenerative endodontic therapy in immature teeth using photobiomodulation and photodynamic therapy; a histomorphological study in canine model**", *BMC Oral Health*, vol. 24, issue 1: BioMed Central London, pp. 1430, 2024. **Abstract**

Bashir, S. M., A. J. Niyi, I. J. Ngozi, O. E. Evaristus, and O. E. Onyinyechi, "**Trace Metals Content of Soil around a Municipal Solid Waste Dumpsite in Gombe, Nigeria: Assessing the Ecological and Human Health Impact.**", *Journal of Chemical Health Risks*, vol. 9, issue 3, 2019. **Abstract**

Othman, S. S., A. Saafan, M. M. F. Al-Halbosi, I. Fathy, M. K. Alam, A. R. El-Beialy, H. S. Al-Shmgani, and G. M. Sulaiman, "**Ameliorating orthodontic relapse using laser bio-stimulation and mesenchymal stem cells in rats**", *Journal of Genetic Engineering and Biotechnology*, vol. 22, issue 1: Elsevier, pp. 100331, 2024. **Abstract**

Hamed, M., R. F. Fathi, A. M. Saafan, and H. M. Baghdadi, "**The Synergistic Cytotoxic Effect of Low-Level Laser Therapy and 5-Aminolevulinic Acid-Mediated Photodynamic Therapy on Tongue Squamous Cell Carcinoma Cell Line**", *Egyptian Journal of Histology*: Egyptian Society of Histology and Cytology in Cooperation with The Egyptian ..., 2023. **Abstract**

Mohammed, M. R., H. A. Al Attar, and A. M. Saafan, "**Endoscopic Release of Chronic Resistant Plantar Fasciopathy**", *Benha Journal of Applied Sciences*, vol. 5, issue 3 part (1): Benha University, pp. 89-95, 2021. **Abstract**

Ahmed, S. F., A. M. Saafan, A. H. Rasmy, and M. A. Bakr, "**Histomorphometric Analysis of the Healing Capacity of Low-Level Laser on Thermally Induced Tongue Ulcers for Gamma-Irradiated Rats**", *Photobiomodulation, Photomedicine, and Laser Surgery*, vol. 41, issue 9: Mary Ann Liebert, Inc., publishers 140 Huguenot Street, 3rd Floor New ..., pp. 467-474, 2023. **Abstract**
